### Help Your Neighbors

Our hearts go out to those who have lost their loved ones and sustained so much loss and damage from the tornadoes. Texas is suffering drought and wild fires, while other states are overwhelmed with flooding.

Natural disasters are so difficult, in part because everything is outside of our control. But we can control how we react to them.

America is a strong and generous country. Please try to help your neighbors.

Cordially,

Michell S. Bradie
