NEWS YOU CAN USE

Does the State of Texas have some of your money?

Many people have unclaimed property; from dormant bank accounts, to refunds from state agencies that have the wrong mailing address, to heirs of an estate that haven't been located. Check to see if you have unclaimed property in the State of Texas. [Click here to read more.](#)

Check Your Credit Report For Free Each Year

Getting your credit report each year is very important, especially with so much identity theft these days. I recommend that you get your free credit reports from the 3 reporting agencies at one time, securely and on-line, at absolutely no cost to you. [Click here to read more.](#)

How To Improve Collections On Accounts Receivables

In order to stay in business, you need to collect your accounts receivables. There are some very basic steps that you can follow that will help.

1. LEARN MORE ABOUT THE BUSINESS:

When you allow a business to pay for goods or services at a later date, you are extending credit. A bank will not extend credit to a person or a business without getting some basic information to see if they are "credit worthy"; or a good credit risk.

asking for the same type of information that a bank might ask for.... [Click here to read more.](#)
